

Life in the world unseen

If you would like a copy of this book would you please send me an email requesting it; I will be quite happy to send it to you.

I am having to do this as there are people in the world who would like to shut this site down by making repeated downloads.

Please do not be afraid to ask as I don't know who you are and you will not get any more communications from me or anybody else, unless you email me again for some reason.

I do not have any email lists or pass on your email to anybody else; I am just protecting my web site.

Regards,

John Hardaker
